Hi [REDACTED] 🙋

We hope this message finds you well. We want to provide you with an update regarding your recent prescription request.

Unfortunately, after reviewing, we are unable to dispense the prescription.

The pharmacy team have noted that this is because [prescribed item is out of stock.](#)

Next Steps: We understand the importance of this and we would recommend the following:

[You can use prescription ID to collect from local pharmacy.](#)

If you were issued a SignatureRx prescription, you can use the same prescription ID at a local pharmacy.

Refund: If you have paid, the money will be credited back to
